

# Legislative Work Groups

Presented to the SIGB  
December 13, 2011  
Warren Dupuis

# Purpose

- The purpose of this presentation is to generate a brief discussion on the recommendations that can lead to additional takings for the SWIC in order to bring an action item to the next board meeting.

# Background

- Executive order 13-2011 established the Statewide Intolerability Governance Board (SIGB) and the position of the Statewide Interoperability Coordinator (SWIC)
- The order is effective 30 September 2011
- The SIGB shall exist for a period of two years from the effective date of the order unless:
  - Ordered by subsequent executive order
  - Enactment of legislation
- The Purpose of the SIGB is the development of a long-term, viable plan for the continued development and ongoing operation and maintenance of the public safety radio system

# Problem Statement

It will be necessary to draft legislation that codifies the roles, responsibility, and authority of the SIGB, and provides funding for continued development and ongoing operation and maintenance of the public safety radio system.

# Recommendations

- The SIGB from a Legislative Working Group to draft legislation to:
  - Codify the Role, Responsibility, and Authority of the SIGB
  - To secure funding for the long-term operation and maintenance of the system
  - To secure funding for panning and match requirements to build out the system

# Recommendations (Cont.)

- The Group would initially be comprised of the following individuals
  - **Two representatives from MACO**
    - E.g. Beaverhead County
    - E.g. Lewis and Clark County
  - **Two representatives from MSPOA**
    - E.g. Silverbow County
    - E.g. Gallatin County
  - **Three representatives from State Agencies**
    - E.g. Department of Justice
    - E.g. Department of Transportation
    - E.g. Department of Administration (representing 911, broadband, and radio)
  - **One lawyer**
    - E.g. Mike Manion or Peter Funk
